Mission Statement

Participation in athletics is a privilege, which carries with it varying degrees of honor, responsibility and sacrifice. Since participation is a privilege and not a right, those who choose to participate shall be expected to follow the rules established by the Athletic Department and other specific coaches rules for their sport. Each student-athlete represents Highland Academy Charter and the student body. We believe that an exemplary athletic program is an extension of the classroom. As such, athletics offers

students an opportunity to develop and grow physically, intellectually, emotionally, and socially. We also believe that physical fitness, discipline and success can help promote academic success, and we expect that our athletes take pride in their performance in the classroom as well as on the field. While we strive to build competitive, winning teams, our primary mission is to promote the value of school spirit and fair play.

Sportsmanship: The ideals of good sportsmanship, ethical behavior, and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior, which are characterized by generosity and genuine concern for others. Further, awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity. One of the main goals of Highland Academy Charter athletics program is to teach the concept of sportsmanship. Good sportsmanship requires that everyone be treated with respect. This includes members of the opposing team, officials, coaches and spectators. Good sportsmanship includes showing courtesy and kindness towards your opponent as well as fellow team members. The contest is judged by the effort of the participants and not by putting down your opponent. Winning is exciting, but winning at any cost is not the goal. Negative treatment of any participant is outside the spirit and interest of the contest.

Parent/Guardian Code of Conduct: We expect the parents/guardians of the student-athletes (and their guests) to adhere the following:

- Remember that student-athletes participate to have fun and that the game is for them, not adults.
- Be a positive role model through their own actions to make sure that the student-athlete has the best experience possible.
- Praise student-athletes in their attempt to improve themselves as students, athletes and people.
- Recognize and show appreciation for outstanding play by either team.
- Show respect for opposing players, coaches, spectators and support groups.
- Gain an understanding of, and appreciation of the rules of the game.
- Demonstrate positive support for officials and be respectful of all officials decisions.
- Support student-athletes in their efforts to play by the rules and to resolve conflicts without resorting to hostility or violence.
- Discourage any language or behavior that would incite violence or would endanger the health or well being of student-athletes.
- Refrain from unsportsmanlike conduct with any official, coach, student-athlete or parent such as booing and taunting, or using profane language or gestures.
- Refrain from ridiculing or yelling at a student-athlete for making a mistake or bad decision.

- Refrain from coaching student-athletes before, during or after games and practices unless you are one of the official coaches of the team.
